2 It is reported that the applicants have been rendered landless on account of the acquisition of their lands by Public Works Department for the purpose of the irrigation tank. Sir,

Subject:-Displaced persons of Telsang -
Grant of land to.

I am submitting herewith Divisional Forest Officer, Belgaum's report No.FOP/GFL/448/54 of 11-11-1960, in duplicate, wherein the Divisional Forest Officer recommends release of Forest S.No.333 of Ainapur, for cultivation in favour of the persons dispossessed of their lands on account of construction of an irrigational tank at Aigali by the P.W.D. There are no other lands in the vicinity, available for being released to landless persons for cultivation. A sympathetic view is required to be taken in this case as the applicants have been rendered landless on account of the acquisition of their lands for the purpose of the irrigational tank. The whole S.No.333 comprising ~~ex~~ 2 ~~the~~ ~~144~~ 144-37-0 acres of Ainapur less the area of 33 acres already granted to Shri.R.S.Khot, P.S.I., Hubli, is recommended for being disforested and handed over to the

(P.T.O)

Revenue Department for allotting to the displaced persons.

Yours faithfully,

No.FOF/GFL/448/54-/60-61.
Belgaum, 11- 11- 1960.

To

The Conservator of Forests,
Belgaum Circle, Belgaum.

An area of about 110 acres under cultivation situated in village limits of Telsang has been proposed to be acquired for the construction of tank at Aigali by the P.W.D. Athorities. Consequent upon taking over possession of the aforesaid area, the owners of the lands are rendered landless and the Revenue Department proposes to grant an area equal to that acquired out of F.S.No. 333 of Ainapur for purpose of cultivation.

F.S.No.333 of Ainapur is = 144 acres and 37 guntas village Forest under the management of village Panchayat as per records of this office. From the case received from the Asstt. Commissioner, C.D.Chikodi it is seen that an area of 35 acres from F.S.No.333 of Ainapur has already been granted to one Shri R.S.Khot, P.S.I. Hubli by Government. But there is no record available in this office.

There have been repeated requests by Harijans and Backward class Tenant Farming Society, Ainapur and their requests have been ~~xxxxxx~~ refused previously by Chief Conservator of Forests, in Mysore, Bangalore and Government.

However in view of the fact that the Villagers of Telsang are rendered landless and also there is no other land available for cultivation, it is recommended for release of F.S.No.333 of Ainapur for cultivation for settling the displaced persons, as proposed by the Revenue Department.

This subject was also discussed in the District Coordination Committee meeting and the Deputy Commissioner Belgaum requested me to take a very sympathetic view on the poor displaced persons.

Case papers received from the Assistant Commissioner C.D.Chikodi under the No.LGL/SR-93 of 11-10-1960 are enclosed (Two Files) herewith for favour of perusal and return.
